

# JHA Treasury Management™ mobile feature comparison

Explore the features that are available, in-progress, and planned for the JHA Treasury Management Mobile Experience and how they compare to the native app, which is no longer being enhanced. Please note that the statuses contained in this document are provided as estimates only and can be changed at any time at the sole discretion of Jack Henry.

✓ = Available today

Roadmap = On our six-month roadmap and in progress

Planned = Upcoming project
